Rc.No.528/RVM(SSA)/C2/12.

Dated:04-08-2012

Sub:- APRVM (SSA), Hyderabad – Monitoring of quality initiatives –Constitution of
Divisional Level Monitoring Teams - Reg.

All the Project Officers of RVM(SSA) in the state are informed that Government of India have enacted Right of children to Free and Compulsory Education Act 2009, to provide 8year s of quality elementary education to the children of 6-14 years age group. As part of providing quality education many activities viz capacity building of teachers, release of various grants to teachers, setting up school libraries, implementation of Computer Aided Learning programme, providing Self Learning Interactive Material etc., are being implemented under Sarva Shiksha Abhiyan. Even then, the quality of education is not up to the mark as revealed many national level surveys and ASER 2011. Government of India has also pointed out the same during the Joint Review Mission held in the month of July 2012. It has been given to understand that lack of proper and regular monitoring of quality initiatives is one of the major cause for low quality in Government schools.

Further to improve the status of quality in Government schools by putting in place a robust monitoring mechanism, it is decided to constitute Divisional Level Monitoring Teams in all educational divisions in the state with three experts one each in Mathematics, English and Science. The team members will be selected from qualified persons from open market. A notification is being issued in daily news papers inviting applications from the candidates who fulfill eligibility criteria (a copy of the notification is enclosed). Eligibility criteria for each team member along with job chart and schedule is being hosted in the official website of SSA (<http://rvm.ap.nic.in>).

Therefore, all the Project Officers are requested to receive the applications along with Bio-Data from eligible candidates and furnish the details in the proforma enclosed by 25.08.12 for taking further course of action.
